

**Immediate Life Support and Acute Simulation Course Information
Foundation Programme Doctors (Year 1)**

During October 2019 – June 2020 **all** FY1 Doctors from the East Midlands region will be required to attend an Immediate Life Support Course **and** SIM Training Course at one of the centres in the region. It is **YOUR** responsibility to ensure that you book onto these training courses. Sufficient places have been allocated for all FY1s to attend these courses.

**This information is for those doctors who will be attending a course at the
University Hospitals of Leicester NHS Trust**

IMMEDIATE LIFE SUPPORT

VENUE:- Clinical Skills Centre, Victoria Building, Leicester Royal Infirmary, Leicester LE1 5WW
(unless other site stated on booking)

All courses can be booked via the HELM Training Platform

**Course dates will not be opened until September 2019
No bookings can be placed before this date**

Please ensure that when you book your course you make a note of the start time.

Please ensure that you arrive on time otherwise

- You may miss essential health & safety and induction briefings, and
- Disrupt the programme for the other participants.

Attendance

If you are a Leicester Medical School Graduate and undertook E-ALS this year you will not have to attend an ILS session.

If you have completed an Advanced Life Support Course you will not have to attend ILS but you will need to provide evidence of this.

It is recommended that you attend a drop in session for an assessment. These are held on all three sites every day. See Insite for details
